

346 Kensington High Street, W14

Client : Raymond Estates
Project Manager : Matthews & Sons
Project Value : £30,000
Type : Category A refurbishment of commercial offices

Project Summary

Works were successfully completed and coordinated to ensure no disruption to business operations of the other occupants in the building;

- Strip out of 2700 sq. ft. of office space including glazed partitioning, floor coverings and air conditioning.
- Splitting of small power and lighting to ensure no shared service remained between offices
- Coordination of electrical isolation to entire building to facilitate introduction of new supplies
- Alterations and redistribution of mechanical services to suit revised layouts
- Repairs to the suspended ceiling
- Decorations to all previously painted surfaces
- Laying of Interface carpet tiles
