HALLSVILLE QUARTER, CANNING TOWN

Client: CHP Management Limited

Contract Value: £40,000

Contract Administrator: Palmer Glue Ltd

Duration: 4 weeks

Project Summary

The unit was situated in Hallsville Quarter - Canning Town and is part of a new contemporary living, leisure and retail space currently under development. Many units are currently occupied and open for business therefore is a busy, active site.

Works included:

- Installation of a new gas pipe within unit C202 and basement car park
- Core hole drilled through concrete ground floor slab
- New pipework run through car park level, above head height from gas meter room
- Termination of new gas pipework capped off within unit C202
